

# Basic Requirements for Members

---

To provide a high quality standard in the Sura Academy we have special requirements for the admission of new students:

## 1. God and religion

- acknowledgement of God as the absolute ONE beyond creation known as the Eternal Light, Divine Providence, Akasha, Nirvana, cosmic consciousness, etc. which receives highest worship in the inner teachings of every religion, tradition and culture
- acknowledgement of God as the source of life and creation,
- acknowledgement of the highest revelation of God in creation through the following virtues (characteristics):
  - > omnipotence, absolute power,
  - > omniscience, absolute wisdom, regularity, justice, truthfulness, harmony,
  - > all-embracing love, divine mercy,
  - > cosmic consciousness, eternal life, perfection,
  - > space- and timeless, all-permeating
- differentiation between God given, internal, universal and absolute teachings and laws and human, relative, culture- and time-conditioned, external theories of the individual religions

## 2. Required characteristics of the member

The following human characteristics for members are basically required:

- common sense (a good heart and a clear mind)
- a good character and a positive life attitude
- free of dogmatism, fundamentalism, and extremism
- willingness for mental and psychic growth (mind and soul)
- willingness to take the responsibility for yourself and your life
- willingness to participate in the human-spiritual evolution
- willingness to orientate yourself on the divine virtues as the revelation of the absolute
- respect towards God, yourself, your fellow men and creation
- respect towards the principles of unity, individuality, free will and free decision
- acknowledgment of the principle of duality in the entire creation
- acknowledgment of the laws of analogy, resonance, polarity and harmony
- acknowledgment of the principle of cause and effect (Karma)
- acknowledgment of the three planes of existence in creation, - mind-mental plane, soul-astral plane and physical-material plane
- acknowledgment of the fact of rebirth and its consequences
- acknowledgment of the principle of trinity in creation, the female principle, the male principle and the child (creation)
- acknowledgment of the principle of the four in creation, - the four elements and their work on all planes and in all aspects (the work of the tetrapolar magnet)
- acknowledgment of the natural-spiritual hierarchy and order (the different degrees of spiritual maturity)

## **Entrance Exams**

Further on you have to pass successfully the entrance exams. Only then you can take part in the Sura Academy.
